

THE DINING ROOM

Nestled in the heart of Red Hill on the Mornington Peninsula, our estate has been growing Chardonnay and Pinot Noir for nearly 30 years. Spanning 8.5 acres, our vines thrive under the cooling sea breezes, producing fruit of elegance, bright acidity, and refined structure.

Meanwhile, our sister vineyard in the Macedon Ranges, shaped by a cooler climate, yields Pinot Noir and Pinot Gris of greater depth and intensity, yet still vibrant and fresh. Together, these vineyards form the backbone of our Peninsula Estate wines, which sit alongside a carefully curated selection of exceptional local and international drops.

This wine list is a reflection of our passion for place, craftsmanship, and hospitality. We invite you to explore, discover, and savour each glass, knowing that every bottle has been chosen with care to complement our seasonal menu and your experience here.

Lancemore Lindenderry Red Hill

LINDENDERRY ESTATE — A STORY IN EVERY POUR

At Lancemore, our vineyards are the heart of our table and the soul of our hospitality. Lindenderry Estate wines are born of three remarkable landscapes — Red Hill on the Mornington Peninsula, the lofty Macedon Ranges and sun-drenched Milawa in the King Valley. From these boutique vineyards, we craft wines of place and personality; wines that speak of ocean winds and granite boulders, mineral soils and cool nights, patience, restraint and the beauty of time.

Lindenderry Estate is more than a label — it is the story of our first three properties and the land that shaped them. Each vineyard expresses a distinct chapter, yet together they create a complete and balanced palate: elegant sparkling, vibrant whites and layered, expressive reds.

RED HILL — WHERE THE OCEAN MEETS THE VINE

Our primary vineyard and Cellar Door rest atop the rolling hills of Red Hill, planted in 1995 with equal devotion to Chardonnay and Pinot Noir. Here, the constant breath of the ocean slows the ripening season, gifting us bright acidity, fine structure and delicately detailed flavours. Red volcanic ferrosols, rich in nutrients, allow deep root systems and remarkable vitality.

Our unique Lyre trellis opens each vine to sunlight and coastal breezes, encouraging even ripening and limited yields — a conscious choice for purity over volume. From these slopes we craft our, Chardonnay, Pinot Noir and Rosé — wines of lift, texture and precision.

CLEVELAND ESTATE — ELEGANCE AT THE EDGE

The oldest and coolest of our vineyards, Cleveland Estate is a marginal, frost-prone site that rewards perseverance with fruit of extraordinary vibrancy and clarity. Planted in 1984 and 1989, its old vines offer depth, nuance and intensity that only age can give. Here, grey loam over ironstone gravel lends a character unlike anywhere else in the Lancemore family.

From its Chardonnay, Pinot Noir and Pinot Gris — including a small sparkling block — come wines of mesmerizing detail: graceful, bright, tightly wound and utterly drinkable.

MACEDON RANGES — STRUCTURE, STRENGTH AND PERFUME

At nearly 500 metres above sea level and encircled by ancient granite boulders, our Macedon vineyard produces Pinot Noir and Pinot Gris of concentration and aromatic allure. Rocky soils force the vines to work, yielding small berries and intense flavour. Though higher than Cleveland, the site is warmer in nature, with a growing season up to three weeks earlier — a fascinating contrast that brings power without losing elegance.

These wines are perfumed, structured and deeply expressive — a tribute to cool-climate winemaking at its best.

MILAWA — THE SPIRIT OF THE NORTHEAST

Our King Valley vineyard in Milawa, once tended by Brown Brothers in the 1980s, completes the Estate's palate with warmth, generosity and depth. Across its 1.6 hectares of Merlot, Cabernet Sauvignon and Shiraz, only one variety is chosen for each vintage — a disciplined approach that champions character over consistency.

The result: a soulful North-East Victorian red, shaped entirely by the season and bottled as a singular expression of place and time.

HANDS OFF, HEART FORWARD

Under the guidance of our esteemed winemaker, Barny Flanders, we honour a minimal-intervention philosophy: organic principles in the vineyard, little to no additions in the winery, gentle oak influence, and hand-harvested fruit picked in the cool of early morning. As a sommelier to Barny, balance, drinkability and flavour always come first — wines made for the table, for conversation and for memory.

THE HEART OF LANCEMORE IN A GLASS

Like our hotels, Lindenderry Estate wines celebrate craft, character and a deep connection to place. They are elegant without pretence, thoughtful without excess — shaped by nature, guided by hand, and shared with those who appreciate the beauty of the journey.

We invite you to explore the story in every bottle, and to taste the landscapes that inspire us.

Barnaby Flanders has elevated our wine to new heights with each vintage, and we couldn't be prouder (or privileged) to have him at the helm.

Before becoming a celebrated winemaker, Barny's journey into winemaking began when he enrolled in a Bachelor of Applied Science (Wine Science) at Charles Sturt University in Wagga Wagga, graduating in 1999. He honed his skills in the Yarra Valley under the tutelage of Steve Webber at De Bortoli Wines and Master Winemaker Martin Williams, before relocating to the Mornington Peninsula in 2003 to work with Dr. Richard McIntyre at Moorooduc Estate.

His experience extends beyond Australia, having completed vintages in the USA and Italy, and continuing to travel annually to southern France to collaborate with Michel and Stephane Ogier at Domaine Ogier Cote Rotie in the northern Rhone region.
